

put the story in order

That night when Carey went to bed, she said, "Good night Pink Monkey, Good night Brown Dog, Good night Ted, I love you, Pink Monkey, I love you, Brown Dog, I love you, Ted." Ted was too sad to fall asleep.

The next day, Carey's friend Rose gave her a pink monkey. It was very fuzzy and cute. Carey liked it a lot.

That night, Carey took the brown dog to bed with her. She said, "Good night, Brown Dog, Good night, Ted. I love you, Brown Dog, I love you, Ted." Ted was very sad. He could not fall asleep. He wanted to be next to Carey.

Ted belonged to Carey. He was her best friend. Every night before she went to sleep, Carey said, "Good night, I love you, Ted." They have done this every night since Carey was two.

The next day Carey's grandma gave her a fuzzy grey Koala bear. He was very soft and cuddly. Carey took him out to play with Pink Monkey and Brown Bear.

It was Carey's birthday. Carey's aunt Sue came to visit. She brought Carey a cuddly brown dog. Carey was very happy.
